

Note: Lesson plans are subject to change at my discretion as situations warrant and/or needs of my students arise. All changes will be announced in class.

Week of March 16

	Algebra II	Pre-AP Algebra II	Precalculus	College Algebra	AP Calculus AB
Mon	Writing a Quadratic Function given the zeros of the function	Writing a Quadratic Function given the zeros of the function	5.4 – Sum and Difference Identities	3.4 Hmwk/Quiz – Zeros of Polynomial Functions	6.3 – Fundamental Theorem of Calculus
Tues	Project: Solving a Quadratic using multiple techniques	Project: Solving a Quadratic using multiple techniques	5.4 (cont)	Ch 3 Test	6.3 (cont)
Wed	Class time to work on project	Class time to work on project	5.5 Double Angle Identities & Half-Angle Identities	5.1 – Exponential Functions and Their Graphs	6.4 – Properties of Definite Integrals
Thurs	BR 93 – 100	BR 93 – 100	5.5 (cont)	5.1 (cont)	6.4 (cont)
Fri	Spring Break	Spring Break	Spring Break	Spring Break	Spring Break
